

Dear parent/guardian,

2026 Parent Payment Arrangements – Year 7 to 12

As we look forward to another great year of teaching and learning I invite you to make your voluntary contributions for 2026.

Payments can be made via your compass account from Monday 17th November 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary.

Thank you everyone for your support, whether that's through fundraising or volunteering your time at the school. It all makes a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wide range of subjects and special curriculum experiences. Historically parent voluntary contributions have supported upgrades including purchasing musical instruments, upgrading outdoor spaces, maintaining and upgrading digital technologies. Future projects under consideration include beautification of the school grounds, provision of additional shade sails and outdoor seating, new playground and sporting equipment, performing arts resources and materials.

All voluntary payments can be made via your compass account from Monday 17th November 2025. Please find the contribution schedule below for Year 7 - 12.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
Nathan Guthridge
