

School profile statement:

At Altona College we support the rights of all members of the school community to be provided with and engage in a safe, inclusive and supportive learning environment. This extends to the use of digital tools and online communities and is underpinned by our expectation of safe and responsible behaviour of all members of the school community.

At our school we:

- have a **Student Well-Being and Engagement Policy** that states our school's values and expected standards of student behaviour, including actions and consequences for inappropriate online behaviour
- educate our students to be safe and responsible users of digital technologies.
- conduct an annual start-up program that promotes safe and responsible online use.
- incorporate online safety activities through the Positive Education / Respectful Relationships curriculum.
- raise our students' awareness of issues such as online privacy, intellectual property and copyright
- supervise and support students when using digital technologies within the classroom and establish clear protocols and procedures when working in online spaces including reviewing and considering the safety and appropriateness of online tools and communities:
 - Bullystoppers Duty of Care and Supervision
(<https://www.education.vic.gov.au/about/programs/bullystoppers/Pages/default.aspx>)
- provide a filtered internet service but acknowledge that full protection from inappropriate content can never be guaranteed
- protect students' privacy by providing students with a unique unidentifiable DET email account for all communications
- provide a secure site for the storage of student schoolwork and provide the ability to share school work related content on the G-suite platform.
- provide students with safe access to external digital platforms including but not limited to, Mathletics, Reading Eggs, ACER assessments and SeeSaw.
- respond to issues or incidents that have the potential to impact on the wellbeing of our students including those reported through online services
- know that some online activities are illegal and as such we are required to report this to the appropriate authority
- support parents/guardians to understand safe and responsible use of digital technologies, potential issues and the strategies that they can implement at home to support their child; providing this Acceptable Use Agreement and current information from both the Department of Education and Training and Cybersmart:

Acceptable Use Agreement – Primary

Parent/Student acknowledgement provided through course confirmation.

I have read and discussed the contents of this document with my child.

I understand that there are actions and consequences established within the college's *Student Well-Being and Engagement Policy* if my child does not behave appropriately. In addition to this and if deemed appropriate, parents/carers may be consulted directly to discuss removing the use of technology for a designated period.

We understand and agree to comply with the terms of acceptable use including the use and expected standards of behaviour set out within this agreement.
