Altona College is
a child safe organisation

Dear families

On Friday we held our celebration assembly for 2019, it marked a milestone in our college history, acknowledging one year as the new Altona College. We have successfully added Year 10 and I personally congratulate our students on completing their first year of senior education. They have become the first group to experience the next stage of our educational journey with VCE and vocational training. On Friday we farewelled them for the year and celebrated with some young adults who will not return next year as they begin apprenticeships or enter the workforce. We are creating many new chapters each year as we grow to a Prep to Year 12 community and Friday's assembly was only the beginning.

We also acknowledged our year 6 students who complete their final year of primary school in two weeks' time and of course our preps who will celebrate the end of their first year of school. As I said on Friday, Year 6 can be seen as a coming of age, a way to recognise when a young person steps into the next stage of life, and Friday marked that new chapter. They are well prepared for their secondary education and being able to step straight into secondary school here on the same site is a unique opportunity for them.

Friday was one of those great occasions when we celebrated our young people – their achievements, their perseverance and their successes. This year, our college grew substantially and this continues into 2020 with more than 100 new students. This enables us to continue to offer new programs and opportunities both in the primary and secondary years. Next year we extend our VCE offerings and in 12 months we have a group of students who will sit their first VCE exams.

We now have a master plan for the future developed with our architects Crossier Scott and the Victoria Schools Building Authority (VSBA). We are currently awaiting costings through the Quality Assurance organisation. There are renovations planned in the administration wing and middle years building where new science rooms will be created. We also have a new VCE building that will be constructed behind the middle years learning centre. We have met weekly with architects and the VSBA in planning the development. There are extremely exciting times ahead with the growth in student numbers and the creation of new learning spaces for our senior students. School Council will be meeting with the architects in the final week of the year to discuss and confirm the plans. Once approved I will post the plans on the website.

As the year draws to a close I wish to recognise those "Friends of Altona College," whose partnerships enhance our school. Our appreciation goes to:

- The Hobsons Bay Youth Services who provide ongoing support to groups of students and individuals.
- The No Bull group who provide lunch time activities with our chaplain each week.
- The Ed Connect volunteer group that support our classroom programs and the kitchen garden with our primary students.
- Cooper's Cassidy's grandma Margaret who supports the Early Years Library each week enabling students to borrow books and also those from the Early Years Hub
- All the parents who support us in the classroom, on excursions and through fundraising events or in the kitchen garden program.
- The Altona Rotary Club and Bendigo Bank who have continued to support our breakfast club program and were on hand to help cook the barbecue for the father's day event and again on Thursday evening for the soiree. We cant thank them enough.
- The local RSL who support us by providing buses for sporting events, sponsoring students for camps, funding scholarships and in a multitude of other ways.
- The Altona library who offers programs for our students and a bus at a minimal charge for sporting events.
- The Louis Joel Centre who provide opportunities for our student to share their artwork with the community.
- The staff and students at the Altona Early Years, who work closely with us. I congratulate them on their successful first year following the opening in January. The huge waiting list is testament to their success.
- Our colleagues in the Hobson's Bay Network of Schools who have supported our journey to a P – 12 community.
- The College Council fundraising group who were integral in preparation for the soiree

We know if we need support these friends are a phone call away.. A massive thank you is extended to the fundraising group and Mrs Foreman for our evening of entertainment of entertainment on Thursday. Thank you all.

AWARDS

The TIM WATTS award was donated by Tim who has been Member of Parliament since September 2013, representing the Division of Gellibrand, Victoria. The recipient Alex Gatt exemplified our values, particularly respect which he demonstrates for himself, his peers and our staff. He has the highest level of integrity in every aspect of school. Despite the many challenges he endures Alex always has a smile on his face and a "have a go" attitude. He demonstrates an unwavering commitment to personal growth. Whilst on work experience at Fed Ex he embraced the opportunity with enthusiasm, endurance and persistence and was an exemplary role model for the college.

I congratulate Keira Dunstone of her acceptance of the Ian Vening Memorial award. Ian was a teacher of Altona P – 9 College who taught visual arts, ceramics, painting and wood technology. Ian's swift and sudden passing in 2018 left a hole in many hearts and none more so than his daughter Gabrielle and the Vening family. The memorial award is made in Ian's memory to a student in Year 9 who demonstrates passion and tremendous potential in the arts. They receive a \$100 voucher from Ian's estate and their name will be placed on the honour board in the general office. This year's recipient is a talented young artist who has a true gift. She is a quiet achiever and the worthy recipient AND I know she will do great things in the arts over the next 3 years with us. Ian would be very proud of her work.

Wishing all our families a relaxing week ahead. There will be a short newsletter released on the last day of the school year.

Julie, Matt and Nathan
Principal Class team.

VCAL 2020

This past week, our first cohort of VCAL students for 2020 went through the first week of the Step Up program here at Altona College.

The focus of VCAL is to equip the students with the necessary skills for employment through the building of 8 employability skills and 8 interpersonal skills through hands on and practical learning opportunities.

EMPLOYABILITY SKILLS

- Confidence
- Cooperation
- Honesty
- Integrity
- Perseverance
- Resilience
- Respect
- Responsibility

INTERPERSONAL SKILLS

- Communication
- Teamwork
- Problem solving
- Initiative and enterprise
- Self-management
- Planning and organisation
- Technology
- Learning

This week, the students have received their first taste of their curriculum areas: Literacy, Numeracy, Work Related Skills and Personal Development Skills through beginning the planning stages of events to come in 2020, as well as hands on Work Related Skills.

Year 9 Digital Photography excursion to the NGV

On November 18, the Digital Photography students visited the NGV Australia to view photography works by Petrina Hicks and Polixeni Papapetrou. We were given a tour of the two exhibitions, and were fortunate to be given free entry to a third exhibition, Civilisation. Students were provided with the opportunity to engage with work in a national gallery and see large scale photographic works.

Following the gallery visit, students captured imagery using the new Nikon DSLR cameras, focussing on shapes and scenes in the city. We made time to visit Hosier Lane, where students could see the latest street art offerings as well as viewing another perspective of streetscapes and inner city life.

Salvation Army Christmas Appeal

Salvation Army Christmas Appeal Food Drive

Christmas can be a difficult time of year for families in need. Every Christmas, the Salvation Army in Hobsons Bay provides food hampers and gifts to approximately 60 families - but they need your help! This year Altona College will be hosting a food drive collection point. You can help the Salvation Army give hope where it's needed most by bringing non-perishable grocery items to our collection boxes between 25 November and 12 December. Items you may like to donate include: pudding, cakes and short bread, long life custard, Christmas bonbons and napkins, tins or fruit, vegetables, baked beans and tuna, rice, pasta and meal kits, cereal, tea, coffee, long life milk and sugar,, packets of jelly, gravy mix, and baby food. Your donations would be enormously appreciated!

A box for food donations is located in the foyer of the office building.

Here are some items you might like to donate this Christmas.

Christmas items

- Puddings, cakes, mince pies, shortbread
- Long-life cream, custard
- Snacks (biscuits, chips, chocolates, lollies)
- Table d cor (bonbons, decorations, tablecloths, napkins)

Tinned foods

(Ring-pull tins only, please)

- Fruits in juice
- Vegetables
- Soups
- Meats or fish
- Meals (baked beans, spaghetti)

Meal bases

- Pasta and pasta sauces
- Rice
- Curry and stir-fry sauces
- Meal kits (Mexican, Asian)

Other

- Cereal
- Spreads

For further information please get in touch with your regional Salvos representative.

GUIDELINES

- Where appropriate please ensure items have long expiry dates and are non-perishable.
- Supermarket gift vouchers make a great addition to food hampers, allowing the recipient to purchase fresh fruit, vegetables and meat at Christmas.
- Think Christmas: people will be receiving these packages as gifts. Buy brand-name products where possible, and include some special items to help people celebrate on Christmas Day.
- Pack your groceries into a washing basket, reusable shopping bag or laundry bucket that can be reused by the recipient.
- Consider providing choices that suit families with young children, people with allergies, the elderly or newcomers to Australia.
- Please donate all items as early as possible in December, or even in November to ensure that all food hampers and gifts are delivered to families by Christmas.

Thank you for making Christmas brighter for families in need.
